

Jamie Braith

Results-oriented Senior/Lead Product Designer with 15+ years experience across digital agency, B2B SaaS, and internal enterprise tools. Leads complex redesigns, defines processes, and promotes collaboration to deliver scalable design systems, personas, and intuitive UX, boosting organizational efficiency.

EXPERIENCE

Wells Fargo, Minneapolis, MN — Senior Product Designer

Jan 2025 - Present

Led migration discovery across 15+ teams, built flows highlighting complexity, improved consistency with design system, empathized by creating agent and customer personas, and ignited cross-team collaboration.

TekSystems (Wells Fargo), Minneapolis, MN — Senior Product Designer

Sep 2024 - Jan 2025

2U (EdX) Minneapolis, MN— *Instructor*

Aug 2023 - Jun 2025

Primary instructor for a remote cohort of 30+ college-level students at the University of Minnesota where I gave lectures, Figma demos, constructive feedback, grades, and motivational support.

Parallax, Edina, MN — *Product Design Lead*

Jul 2022 - Aug 2024

Managed the design team, built strategic customer archetypes, established company vision with the CEO, worked in lockstep with BA/PO and developers to storymap projects, embraced end-to-end product design, and created a design system for the Parallax app.

Parallax, Edina, MN — *Product Designer*

Jun 2021 - Jul 2022

Strategic Education, Minneapolis, MN — *Senior Product Designer*

Oct 2019 - May 2021

Embedded into two agile teams, led the creation of multiple design systems, and facilitated cross-team collaboration on an enterprise-wide color palette.

Robert Half (Strategic Education), Minneapolis, MN — Art Director Consultant

Feb 2019 - Oct 2019

Greater Minneapolis area

(763) 381-2390
